7% Retro Check Planned for 10/14 Will Now Be 10/17

We've been informed by the district that the retro checks that were planned to go out on October 14th will now go out on October 17th. [See the email from Allan Garde attached and HEA's response](#) re: district admin actions that are increasing the workload and stress on our members and sibling union members.

With the turnover referenced in Allan's email of both the Payroll Supervisor and one of the two Payroll Technicians, it bears repeating to always review your pay stubs to ensure accuracy. If anything appears inaccurate, let us know!

COVID Supplemental Leave Extension

This is repeat information from last week regarding the SB95 extension, but this time with [the district confirming their understanding is in alignment with CTA/HEA's](#).

Access to COVID Leave has been extended ***until the end of December 2022***. COVID leave (sometimes referred to as SB95 days) that cover absences related to COVID was to expire today, September 30th. During the pandemic, the State allotted each of us the equivalent of approximately 10 days (80 hours) that we could apply to our days out as a result of COVID e.g., contracting COVID, quarantine time, etc. Access and application of this bank of days will be extended. *To be clear, these would not be new days nor additional days.* However, individuals who had not yet used their COVID-19 Supplemental Paid Sick Leave would be able to use their remaining days in October, November, and December of 2022.

Precinct Walk Sign-up Continues

We have a special opportunity to elect local representatives this November that include a lifetime advocate for labor and supporters of public education. We need your help to educate our community and make sure they win in the upcoming election! Precinct walks are every Saturday at 10am starting at the campaign's Hayward office, and HEA is asking all members to help on **October 8th and October 29th**. [Please sign up here today](#) and spread the word to your colleagues, family, and friends!

- **Liz Ortega** is currently Secretary-Treasurer of the Alameda Labor Council and has fought with educators and other union members through all of our recent struggles. She will be a true voice for working people in Sacramento.
- **Aisha Wahab** has been a great advocate from her current position on Hayward's City Council and will be an outstanding representative if elected to the State Senate in November.
- HEA has also endorsed Hayward school board candidates **April Oquenda**, **Ken Rawdon**, and **George Drapeau** who we believe respect our work and will be good partners as we continue to improve our schools.

No prior experience is required to participate in a precinct walk. Please bring your mobile phone fully charged. Walks start at 10:00am and usually end no later than 1pm. We will meet at the Ortega campaign office, located at 22708 Foot hill Blvd in Hayward.
