HEA Run-off Election

Voting in the Runoff Election for HEA Elementary Director is now closed and the ballots are being counted by the Election Committee. We will update members with the results soon! Thank you to all who ran and all who voted!

7-11 Committee Survey

A message from HEA members of the 7-11 Committee:

Please take [this survey](#) asap and before the end of the month. We need responses for what to do with the district properties that we have available for construction by the end of the month. Your voice decides if it turns into things like teacher housing, parks, low income housing, commercial use, and more, so please vote by the end of the month. The committee desperately needs these results to help guide us in decision making!

**We are stronger when we
Stand Up! Stand Strong! Stand Together!**
